No! You choose one. Attending the EARLY CHECK-IN is highly recommended, as this will make the next day much smoother for you.

A week before your State Pageant, we will mail you a Final Schedule that will provide this information for you, as well as all the details to make your State Pageant smoother.

What is the Crash Course?

It says FINAL SHOWS are the only Ticketed Event. So, does that mean everything else is Free to watch?

YES! However, the Interview Competition & Optional Top Model & Screentest Contest are closed to an audience.

Who needs a ticket to the Final Show?

Everyone attending the Final Show, except the State Finalist & anyone under the age of four. Also, escorts are only used during the Formal Wear Competition. So, if your escort is coming to the Final Show, he will need a ticket.

What happens at the FINAL SHOW?

This is the Grand Finale of your NAM Experience! Every girl participates in it. This LIVE show will feature professional staging, lighting, entertainment...& of course, HER! The show will begin with our State Finalists performing their Opening Dance Number, wearing her Opening Production Number T-Shirt. Then each girl will change into her Formal Wear Dress to be presented on stage in the spotlight. This is our chance to recognize her for her hard work & determination throughout this whole experience. There are no SCORES given out at this time. All scoring will have taken place during the preliminary competitions that are shown on your schedule. We will also be recognizing our Optional Contest Award Winners during the Final Show. The announcement of the top semi-finalists (the girls who scored the highest from the 4 Required Competitions, thus making them 1 step closer at becoming the next State Queen), the Runners-up, & the crowning of the new State Queen will conclude the show!
