Your resume is found on the Pageant Paperwork section of this website. You will complete your resume and turn in at Pageant Check-In. Our pageant staff will give it to each contestants before she heads into her interview.

You will meet with approximately 5 judges individually. First, you will carry your resume into the room and walk to the first judge at table #1. You will sit down, hand your resume to the judge and he/she will ask you an open-ended question. You will interview with each judge for about 1 minute. Your interview with that judge ends when the bell rings.

The judge will return your resume to you, and you will move to table #2 to repeat the process. After interviewing with the last judge, you will exit the room with your resume.
